## Types of Hotels: A Quick Guide

When it comes time for vacation, people have many different options for how to spend their time. Some people like to explore a new city, while others enjoy lounging on the beach all day.

Some like to stay active and hike or bike during their trip. No matter what your ideal vacation looks like, chances are there is a perfect hotel out there to fit your needs!

Here are 21 popular types of hotels that you should know about before booking your next trip, so give it a read:

## **1. Chain Hotels**

One of the most popular types of hotels is chain hotels. These are usually part of a large corporation that has multiple locations all over the world. Some examples of well-known chain hotels include Marriott, Hilton, and Holiday Inn.

The benefit of staying at a chain hotel is that you often know what to expect in terms of service and amenities. They also tend to be more affordable than other options, making them an excellent choice for budget-minded travelers.

## **2. Motels**

Motels are a type of hotel typically located right off highways or interstates, making them a convenient option for road trips. They usually have a parking lot with easy access to each room.

While motels are not as luxurious as some other types of hotels, they can be a great option if you just need a place to crash for the night. And, since they are often located near restaurants and gas stations, they can also be a convenient option if you need to grab something quickly.

## **3. Resorts**

Resorts are a type of hotel usually located in a scenic or recreational area. They often have amenities like restaurants, pools, and spas, making them a great option if you want to relax and pamper yourself on vacation.

While resorts can be a bit more expensive than other types of hotels, they often offer package deals that can save you money in the long run. And, since they have everything you need on-site, you won't have to waste time (and money) venturing out to find food or entertainment.

## **4. Inns**

Inns are a type of hotel often smaller and more intimate than other options. They usually have a cozy, homey feeling, many of which are located in historic buildings.

If you're looking for a hotel with character, an inn might be a perfect choice. And, since they tend to be family-owned and operated, you can expect excellent customer service during your stay.

## **5. All-Suites Hotels**

All-suite hotels are a type of hotel that offers, you guessed it, suites instead of traditional hotel rooms. They are often larger than standard hotel rooms and have separate living and sleeping areas.

All-suite hotels can be a great option if you need extra space during your stay. They are also often located near business districts or airports, making them a convenient option for business travelers.

## **6. Boutique Hotels**

Boutique hotels are a type of hotel that is typically smaller than other options and has a unique design. They often have luxurious amenities and offer a higher level of service than other types of hotels.

If you're looking for an upscale hotel experience, a boutique hotel might be the perfect choice for you. Remember that they can often be more expensive than other options.

## **7. Conference/Convention Center Hotels**

Conference/convention center hotels are a type of hotel that is typically attached to a large conference center or convention center. They are often located in major cities and offer a convenient option for business travelers.

A conference/convention center hotel can be a great choice if you're attending a conference or convention. And, since they are designed to accommodate large groups, they often have fantastic amenities like on-site restaurants and bars.

## **8. Extended Stay Hotels**

Extended stay hotels are a type of hotel that is designed for guests who need to stay for an extended period. They often have kitchenettes or full kitchens so guests can prepare their meals.

If you're going to be in town for a week or more, an extended stay hotel can be a great option. And, since they have all the conveniences of home, you'll likely feel more comfortable during your stay.

## **9. Golf Resorts**

Golf resorts are a type of resort that is designed for golfers. They often have their golf course and offer other amenities like restaurants and spas.

If you're looking for a relaxing vacation where you can play golf to your heart's content, a golf resort might be the perfect choice for you. Remember that they can often be more expensive than other types of hotels.

## **10. Boutique Hotels**

Boutique hotels are a type of hotel that is typically smaller than other options and has a unique design. They often have luxurious amenities and offer a higher level of service than other types of hotels.
